CREATIVE APPROACHES TO RESEARCH

Early Stage Researcher Conference

14 June 2018

We invite postgraduates, academics, and practice-based researchers to propose papers, provocations, workshops, and presentations exploring creative approaches to research.

Themes to consider include (but are not limited to):

- Practice-based research. Practice as research. Practice-led research.
 - Scholarly research with creative aspects. How creative approaches can help scholarly researchers.
 - Impact and output – creative ways to get your research out there.
 - Creative innovation in an academic world.
 - The creative-critical.
 - New ways to do old things.
 - Creativity isn't just for artists.
 - Intermediality
 - Are we wedded to distinctiveness in methodology?
 - Technology in research – creative material or workaday tool?
 - Can creative practice be both research and result?
 - Collaboration.
- We welcome proposals on these or any other relevant topics within the area of creative approaches to PhD and early career research.

The deadline for proposal submission is **Monday April 23rd 2018**.

Please submit an abstract of no more than 300 words and a short biography of no more than 50 words to

materialecrconference@gmail.com

Please include any access and equipment requirements.
We will email notifications of selection by 11 May 2018.
